Dear Parents

20/05/2019

Every year students eagerly wait for summer vacations as they get break from their hectic schedule of studies. During summer holiday's students get leisure time and studies take a back seat for a while. Both parents as well as students look forward to get some time off from their everyday routine and are enthusiastic to learn , travel and explore new things. However, just passing time into nothingness is not the purpose here. Students need to utilize their time in constructive tasks like reading books; newspapers so that they become more informed and well read beings. Students should make good use of this time by balancing between fun and work assigned to them

They need to revise the syllabus done so far in their classes and prepare themselves for the Periodic Test (1) to be held from 8th July 2019 to 19th July 2019.

The summer holidays will be from Thursday 23rd May 2019 – 30th June 2019. The school will re-open on Monday 1st July 2019 at usual timings.

Wednesday 22nd May 2019 will be the last working day for classes VI-X.

Holiday HW is already given to the students in the class and is also available on the school website and Portal. Students must complete their holiday's homework and submit it by July 5, 2019 positively. All Holiday H.W. will be marked for their internal assessment and Project will be displayed in Exhibition Scheduled in the month of July.

Wishing to see your child after the summer break with a BROADER OUTLOOK and POSITIVE ATTITUDE.

With good wishes
