Grandparents are a valuable resource because they have so many stories and experiences from their own lives to share. Grandparents also offer a link to a child's cultural heritage and family history. Children understand more of who they are and where they come from through their connection with their grandparents.

Grandparents Day serves to honor and recognize the contributions of grandparents in our lives. They are a society and a family's ties to its past as they pass on important values, beliefs and ideals to future generations. Their wisdom and love are recognized every year on the first Saturday in September.

We celebrated Grandparent 's Day on Saturday 7th of September 2019. Students presented different programs for their Grandparents. Grandparents also presented different programs.
